CHIEF ENGINEER

Dear Mr. Simpson -

Having just taken over as chief engineer,  
I find many reception reports left  
un-answered. I used to be an SWL  
and a ham, and I know how frustrating  
it is not to receive QSL's, after sending  
out a report. - Yours was very complete,  
and if you catch us again, ~~let~~ us know.

Thanks again!

*J. Perry*
