Monitoring Report for Radio Station WJIT on 1480 kHz.

It was my pleasure to monitor transmissions from your station during the above period. As proof of reception I offer this log of items heard:

- 2:22 Ad for Savings Banks
- 2:23 ad for something (I couldn't understand)
- 2:24 Musical announcement - "Radio Hit" & song
- 2:28 ad for something (Manuel De Jesus?) a phone number for information was also given
- 2:30 ad for Dodge Cars
- 2:31 Announcement about something on QUEENS Boulevard (I heard "Bobby Rodriguez" mentioned)
- 2:32 Announcement
- 2:33 Musical "Radio Hit" & song
(over)

On the basis of the above details, I wish to request a brief letter confirming the fact that I have received your station's signals. I collect these letters as a hobby and would be most pleased to add your confirmation to my collection. For your convenience in replying I have enclosed return postage. Thank you for your time and consideration. I hope this report has been of interest to you.

I do not understand Spanish well, so I was able to identify only a few key words. I hope that it is adequate

Sincerely,

the self addressed, stamped envelope
John Sampson
