JOHN SAMPSON

52 DELWICK LANE

NEW PROVIDENCE, NEW JERSEY 07974

Dear Listener:

Thank you for your signal report. This letter is verification of that report.

WLMS operates during daytime hours with an output power of 1000 watts. Studio facilities and business offices are located at 19 Water Street in downtown Leominster. Transmitter facilities are located off Nashua Street. Technical facilities consist of a Gates BC-1T transmitter and a 250 foot guyed steel tower. Audio processing is accomplished with a CBS Audimax/Volumax combination. The audio board is a Gatesway.

we hope you will listen to WLMS again.

Sincerely,

Frank R. Karkota, Jr.
Chief Engineer
