Mr. John N. Sampson
90 Pearl St.
New Providence, N.J.

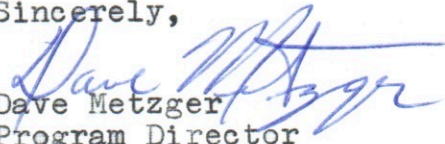

Dear John;

This is to confirm your reception of WLRN on Saturday March 26, 1966 from 4:35 to 5:15 PM. At the time of your reception, we had a remote crew out at Ames, Iowa, and were broadcasting the NCAA wrestling Nationals live.

WLRN is a carrier current station of Lehigh University operating on 640 kc. Your reception at such a great distance is indeed surprising. We limit our coverage to the University campus. We evidently reached you under a peculiar and advantageous set of circumstances.

WLRN is a progressive rock station in the Valley, and we maintain twenty-four hour transmission. If you ever are in or just travelling through Bethlehem, we cordially invite you to visit our studios. Thanks so much for your reception report.

Sincerely,

Dave Metzger
