

NP-64

April 26, 1966

Mr. John D. Sampson
90 Pearl St.
New Providence, N.J. 07974

Dear Mr. Sampson:

Your reception of our signal is gratifying. While our power is limited by FCC, due to atmospheric conditions we are heard by DXers. The report you gave on the program or frequency check agrees with our log. Thanks for your informative note.

Yours truly,
James N. Rodio
James N. Rodio
