New Providence, N.J.

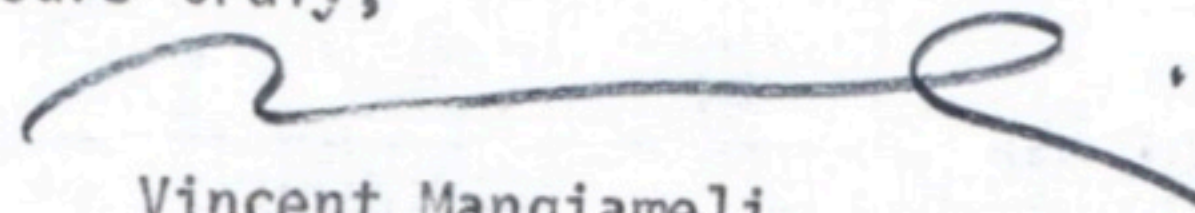

Dear Mr. Sampson:

We are pleased to be able to confirm your reception report dated November 12, 1973. Your summary of the programming during the time period reported was accurate.

WOLF broadcasts 24 hours a day, seven days a week. Since we have complete duplication of all our equipment other than the antenna system, we seldom leave the air for maintenance. When we do, it is not at any set time.

Thank you for your interest.

Yours truly,

Vincent Mangiameli,
Chief Engineer
