Dear Mr. Sampson:

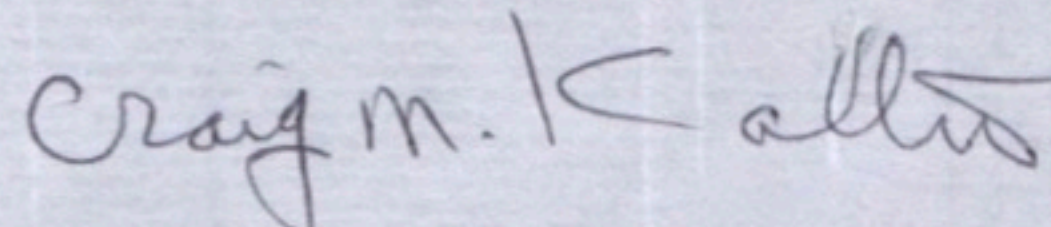

It was nice hearing from you and getting your reception report. Your efforts are greatly appreciated. Our studios, offices and transmitter are located off Sagamore Road in Parsippany, very near Interstate 80. As you may know already, we are relatively new, as we went on the air January 13, 1973.

WPRJ operates from 6 a.m. until local sunset with 1 Kw. Our signal is primarily Northwest, suppressed to the East and South.

I hope you'll continue to tune us in when you can and if you're in the area, give us a call - we'd like to show you our facilities.

Best wishes and kindest regards.

Sincerely,

Craig M. Kallio
Chief Operator
