May 9, 1966

Mr. John Sampson
90 Pearl Street
New Providence, New Jersey

Dear Mr. Sampson:

Thank you very much for your report of reception on Sunday, May 8, 1966.

WRRC operates with 500 watts directional (primarily Northwest) on 1300 kcs., daytime only, from Spring Valley, New York.

Your report is appreciated, and hereby acknowledged.

Cordially,

Dave Blyth
Chief Engineer
