March 27, 1973

Mr. John Sampson
52 Delwick Lane
New Providence, N.J.

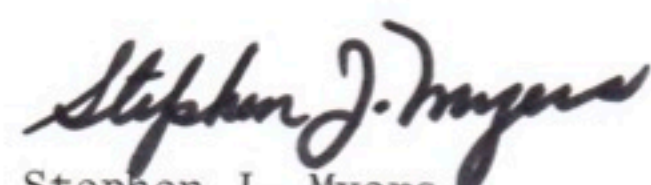

Dear Sir:

Thank you for your reception report of March 20, 1973.

We do not have any plans to change our call letters when the WTIC sale is consummated. Our transmitter site is located on Deerfield Avenue, Avon, Connecticut.

Enclosed you will find a QSL card verifying reception of our station.

Sincerely,

Stephen J. Myers
Chief Engineer
