C R O S S E T T . A R K A N S A S

January 21, 1957

Dear John,

This is to varify your letter of December, 21 ,1956. The announcement you heard was the closing of a frequency check which said: This is Radio Station KAGH leaving the air having been on the air for the past fifteen minutes with one thousand cycle tone modulation for the purpose of frequency check. Untill we resume broadcasting at 5:30 this morning we wish you one and all a very pleasent good morning.

Floyd Houpt

Chief Engineer
KAGH Radio
Crossett, Arkansas

NBC FOR SOUTHEAST ARKANSAS AND NORTHEAST LOUISIANA
