1400 -- For Music and News

January 10, 1957

John Sampson
7940 Pacific
Omaha 3, Nebraska

Dear John,

You appear to have caught Kati's signal all the way over in Omaha, which is good news for us.

The program was as you identified it, but undoubtedly not so enjoyable as if you had no interference. Moving to Casper seems the only solution to that problem.

Thank you for writing us.

K G Prather,
Commercial Manager

WYOMING BOND
