Dear Mr. Sampson

Thank you for the report on our signal strength on your area on the 24th of January ~~XXXX~~ at 2:22-2:25 MST. In Reply to your request for schedule and sig. pattern, We broadcast an 18 Hour day from 6:00 AM mst to 12:00 Midnight mst. We are affiliated with ABC Net. We don't beamas we have a clear channel on 1230KC. The best info I can give you on our directivity pattern is that it is essentially circular, with a slight node to the east. Hope this answers your questions as to sig. pattern and Schedule. Thanks again for your report, We appreciate any information which we can use.

Very Truly Yours
