Dear Mr. Sampson,

This is to verify your reception of KBBB on Sunday, June 22, 1958, from 4:40 A.M. to 4:40½ A.M. on 1600 kilocycles. We were running a program test, and the reason that you had trouble picking us up was that we were operating on a television transformer, ours having been hit by lightning.

Thank you very much for your verification of picking up the station.

Sincerely,
