Omaha, 6, Neb.

Mr. Sampson;

Thankyou for your letter of the 14th. We are glad to verify your reception of our signal during our monthly frequency check, which takes place on the second Thursday of each month at 1:30 AM MST.

We have Gates transmitting equipment here and a $\frac{1}{4}$ wave self supporting tower. the altitude of the tower is approx. 4,200 feet above sea level.

Yours,

Don Smith
Chief Engineer
