

KEYNOTING BETTER RADIO LISTENING

THE MCCOOK BROADCASTING CO. INC.

December 24, 1954

John Sampson  
7940 Pacific  
Omaha 6, Nebraska

Dear Sir:

Please consider this letter as your verification of reception of KBRL in the early morning hours on December 18.

KBRL was testing on 1300 KC's prior to beginning new operations on this frequency with 1000 watts of power.

Thanking you very much for your report, I am,

Very truly yours,

RADIO STATION KBRL

Leroy W. Lenwell,  
General Manager
