Dear Sir:

This letter is to confirm your reception of our equipment test and special program for your club. We were on the air Jan 6, 1958 from 2:00 to 2:30 AM Mountain standard time and your notes of the program broadcast were correct.

I am sorry that I did not get on the air when we were scheduled to but I had some company from out of town and I forgot to set the alarm clock to get up. So we decided to go on the air Monday morning as this is when most of the all night stations go down for cleaning and ect.

In spite of the error on my part I have had a good many reports. Most of them good and most of them were from the eastern states. Thank you for your report.

Yours Truly
