December 27, 1954

Mr. John Sampson
7940 Pacific
Omaha 6, Nebraska

Dear Mr. Sampson:

This is to acknowledge your report of reception of our signal the night of December 22, 1954, during a frequency check with the Commercial Radio Monitoring Company of Kansas City, Mo.

As chief engineer I am very grateful for your DX report, especially since your letter gave a good description of my signal.

May this letter bring with it the very best of Holiday Wishes.

Sincerely,

H. E. Herron
Chief Engineer
