 Omaha 3, Nebraska

Dear Mr. Sampson:

This letter will confirm your report of reception of KCIM on March 24th, 1956. We are sorry for the delay in acknowledging your report.

KCIM operates directional with a full time power of 1000 watts.

The hours of operation are from 6:00 A M to 10:00 P M, Monday through Saturday and from 7:30 A M to 10:00 P M on Sundays. Our regular monthly frequency check is made from 5:45 A M to 6:00 A M on the third Friday of each month.

Thank you for your report of the reception of KCIM.

Sincerely,

John Halligan,
 Chief Engineer
