Dear John:

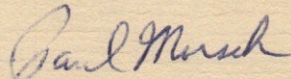

This is to confirm as accurate, your radio
log on KCJJ for Monday, January 28th, 1980.

I'm very sorry your earlier request for
confirmation got the fast shuffle. I usually
answer such correspondence if I see it, but
in your case it must have been transferred to
another department.

Anyway, better late than never, I guess.

Thanks for writing again.

Cordially yours,

Paul Morsch
