Mr. John Sampson

Omaha, Nebr.

Dear DXer:

Many thanks for your fine report. This letter will verify your correct report on our DX program of March 8, 1954.

We have had a very good response to this broadcast from listeners in the Eastern part of the country, but yours is the only one so far from Nebraska. How long have you been pursuing DX as a hobby? Have you ever belonged to any of the DX Clubs? I have been a member of the Newark News Radio Club for 25 years or so and their bulletins have always been a big help to me in my DXing. If you'd like some information about the Club drop me a line.

Enclosed is a copy of our station booklet which might be of interest to you.

Wishing you the best of luck in your DXing, I am,

Sincerely yours,

*Don Hill*
