DIXIE BROADCASTING SERVICE

P. O. Box 306
ALEXANDRIA, LOUISIANA

Dear Radio Friend,

I am pleased to advise you that the information contained in your RECEPTION REPORT with reference to our Frequency Test, conducted by this Station on Friday, November 29, is correct.

Accordingly, it is with pleasure that we CONFIRM your Reception Report after comparison with the Official Engineering Log of this Radio Station.

KDDBS thanks you for your cooperation and initiative and wishes you the very best of luck in your excellent work.

Very truly yours,

DIXIE BROADCASTING SERVICE

Henry J. Lazarone

Chief Engineer
