Dear Sir:

Here is that letter of verification that you asked for from our station. We operate on 1350 kcs. with a power of 1,000 watts daytime only.

At the time you heard us the programs on were sign on at 6:00 daylight time and then country style with uncle George. and after that it was the Little Red Mail Box.---.On August 24, 1957. Hoping this will help you with your work sorry we didn't get your letter before but as the old saying goes "better late than never".

Here's hoping the very best for you in the comminy years, and wishing you a very marry Christmas.

If you ever recieve our station again down there would you please let us know we are very much interested in our reseption also. The other week we even recieved a letter from way out in New Jersey.

Best Of Luck To You

Dave Saar
