John Sampson,
7940 Pacific
Omaha 6, Nebraska.

John:

This is to varify your letter of March 28, 1955 relative to reception of the Standard Frequency Broadcast of March 28, 1955. Our Standard Frequency Broadcasts are normally from midnight to 12:15 a.m. on the last Monday of the month, all on Pacific Standard Time.

Thank you for your report

Chief Engineer.

Radio Advertising Doesn't Cost . . . IT PAYS!
