November 22, 54<sup>86</sup>

Dear John;

Was happy to recieve your DX report. We are a new station, on the air August 12, 1954. Our regular frequency check is on the third wednesday of the month 3 to 3:30am. The last one was on tues. because of the national conelrad alert on wednesday morning.

This is your verification of our freq. check on nov. 16 1954, 3 to 3:30am cst.

Sincerly,

Bob Jensen,  
Chief Eng.  
KEYJ, Jamestown,  
No. Dak.
