Dear Sir;

I received your letter in regards to a test broadcast I made on August 23,.

I went on the air at 12:10 and went off the air at 12:25.

I have received two other letters concerning this broadcast. One is from Geneva, Nebraska and the other is from Denver, Colo.

I am always interested in hearing from Radio Club members and try to answer all verifications requests.

I am satisfied that you did receive me at that time...

Sincerely Yours,

Wilton M. Highfill
