THE *Fred Jones* STATION

1242 SOUTH BOSTON TULSA, OKLAHOMA

TELEPHONE LU 5-5555

January 16, 1958

Dear John,

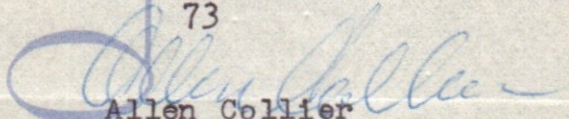

Very pleased to verify your reception of our station at 5:30 P.M. on January fourth.

As it happens, I was having trouble convincing my boss that our transmitter was still getting out, when along came your report, so I'm doubly grateful.

Your listener information was useful to us, so I hope this verification will be useful to you.

Good D X and

73

Allen Collier
Chief Engineer
