Mr. John Sampson

Omaha, Nebraska

Dear sir;

Thanks very much for the report you gave us on the reception of our Station at Omaha, Neb. Feb. 1, 1958 at 12:06 AM.

Although it is unusual for our station to be heard at that distance we are always glad to get these reports.

Your log of our program is correct except for a very slight difference in the time, which could have been in our clock or yours.

Thanks again,

Very truly yours,
