Dear Mr. Sampson:

In answer to your letter dated March 8.
The logging you stated is correct with the excep-
tion of the newscaster whose name was Bill Vance.

We do not have high-fi transmitting
equipment but we do have above average clarity.
We use Gates equipment both control room and
transmitter with 175 foot non-directional tower.
As of March 1, we went off 24 hour schedule and
went back on the old broadcasting schedule of 18
hours.

I want to thank you for your letter and
apologize for the delay in answering.

Sincerely,

Tom Dycus
