Dear Mr. Sampson:

This is to verify your reception of KILO on
June 6th, 1955.

Your program checks with our log in program
content, and our night announcer is Jack
Bishop on Sunday nights.

We operate on 1 kw on day with 500 watt on
night-time, we have no array in that we
have only one stick, non-directional full
time.

Thank you kindly,

Yours very truly,
