Omaha, Nebraska

Dear Sir:

Thank you very much for your reception report of 1/5/58.

It is a pleasure to confirm your report for this date.

For your information:

KILT went on the air in January 1948 under the call of KLEE. The KILT studios are located downtown on the second floor of the Milby Hotel.

The Transmitter is located about 11 miles North of the downtown area on 42 acres of land. We have a Westinghouse transmitter that feeds 5 KW 24 hours daily into 4, $\frac{1}{4}$ wave 400ft. Antennas.

Yours sincerely,

Glenn M. Cook, Jr.
Chief Engineer KILT
