Dear Mr. Sampson:

This letter is to confirm that you did, indeed, receive the signal of KLIZ-AM as per your reception report on Thursday, September 18, 1980.

I was as much surprised as you to find that you did receive our signal at the time mentioned as we were broadcasting using a directional (north) array at the time.

Again, thank you for the reception report and may you have much success with your hobby.

Yours truly,

Bob Stafford
