Mr John Sampson
7940 Pacific
Omaha, Neb.

Dear Sir:

Thank you for your report on K.L.O.H. and according to my log your report is correct.

We have a Raytheon carrier operating two 234 ft towers. Our equipment in the studio is mostly P.C.A. I am enclosing a coverage map at your request.

Thank you again for writing.

Sincerely,
Clarence Kisham, Ch. Eng.
