Dear John:

Many thanks for your reception report stating that you heard the special DX test from KNWS.

Your report has been checked with the program log and found to be correct. This letter is **VERIFICATION** of your reception of radio station KNWS on November 8, 1954 from 2:00 AM to 2:30 AM CST on 1090 Kcs.

We were very happy with the results from this test as we received 76 reports from 30 states, Canada and New Zealand.

We surely enjoyed putting on this program for the National Radio Club and if you're ever in Waterloo be sure and drop in at KNWS. We're looking forward to meeting you in person at the NRC convention this fall.

We're very sorry for delay in this verification but the delay was unavoidable. Thanks again for tuning us in and here's wishing you the very best of DX.

Yours,

*Keit Carson*

PS - Congratulations on winning the pen and pencil set from WTRN. Was hoping to grab that prize myself. All I got was a second. hi. hi.  
*Welcome to NRC, John!*
