John Sampson,  
7940 Pacific,  
Omaha, Nebraska.

Dear John:

Thanks for letting us know that you picked us up the morning of July 28th, even though it was very brief. The skip distance was really great that morning, wasn't it?

I am Chief Engineer, and also have a show from 5 AM to 6AM called: "Uncle Jim's Barnyard".

Thanks again.

Sincerely,

*Jim Harvey*  
Jim Harvey.
