Monitoring Report for Radio Station KOTD on 1000 kHz.

Date Saturday December 6, 1980 Monitoring period 9:12 AM to 9:30 AM Central Time.

It was my pleasure to monitor transmissions from your station during the above period. As proof of reception I offer this log of items heard:

- 9:12 Announcement of the time & ad for Ruback's Supermarket
- 9:13 Ad for Realty World/Lanville Realty (who has a Duplex available)
- 9:14 Reminder to listen to Steve Charles, Monday thru Friday over "K-1000" starting at 7:15 PM
- 9:14 1/2 Song
- 9:16 1/2 Ad to register for Santa's bagfull of gifts at participating merchants (including Rubacks, Jack & Jill, A & W, & Berritt Plumbing in Omaha)

(over)

On the basis of the above details, I wish to request a brief letter confirming the fact that I have received your station's signals. I collect these letters as a hobby and would be most pleased to add your confirmation to my collection. For your convenience in replying I have enclosed return postage. <sup>Thank you for your time and consideration.</sup> I hope this report has been of interest to you. <sup>The self-addressed, stamped envelope.</sup>

Also, what does your directional pattern look like. I'd really appreciate a KOTD confirmation to add to my collection, to "complete" Eastern Nebraska stations -  
Technical Information

Sincerely,

John Sampson

Many thanks!

Receiving equipment: Collins UR388 receiver with 2 foot loop antenna (which gives excellent directional properties & ability to null)  
Interfering stations: None. You put in a reasonably good signal into West Omaha during the day, which makes me suspect that you are directional somewhat this way.

1004

- 9:17 Song - "Baby Blue" by Lynn Anderson
- 9:20 Ad for Santa at Knors (?) Store open house this Sunday, followed by a weather forecast
- 9:21 Ad for A & W
- 9:22 Announcement that Rick Allen is host, followed by a song
- 9:26 Announcement, including the time, & song - "North of the Border"
