Mr. John Sampson
7940 Pacific
Omaha 6, Nebr.

Dear Mr. Sampson,

Your letter was mislaid for several months and I apologize for the long delay in verifying that you did hear KRAL frequency check on Nov. 9, 1954 from 12⁴⁵ - 1^{am} M.S.T. It is on at that time the second Mon. mite of every month so you may want to check for it again.

Very Sincerely,

Robert E. Williams
Chief Engineer
