Dear John

In receipt of your letter of March 31 I wish to verify the program that you were listening too on KSIB. It was the Leon hour program broadcast from our remote broadcast studio in Leon Iowa. It is on from 1 pm until 2 pm. We run 1000 watts here with a Raytheon transmitter compled to a wincharger tower 285 ft high.. I do not have a copy of our signal pattern to send you but do hope that this letter of verification will be sufficient.

Thanking you for your letter, I remain;

Yours Very Truly

Henry L. Ankeny  
Chief Engineer
