Dear Sir,

This is to verify your reception of
KSNV on Dec 21, 1957, while conducting
equipment tests. Many thanks for your
report of this reception.

Just in case you might be interested
we operate a 250^W ^{RCA} transmitter 250 Wtts
with a series fed 180 ft. antenna. of course
1450 K.C.

Thanks again for your report.

Yours truly
Coy Thompson C.E.
KSNV Snyder Tex.
