

RADIO STATION **KSTL** ST. LOUIS 1, MO.

1000 Watts - 690 Kilocycles

Sept. 18, 1958

JOHN Sampson
7940 Pacific
Omaha, Nebraska

Dear Sir;

Received your letter of sept. 12, 1958

Sorry about the letter of July 8th.

The report of program received agrees with our log of July 8, 1958

Was Surprised you were able to receive KSTL in that area.

Due to other Stations On 690 kc.

Yours Truly

Ralph Howard
Chief Engineer
KSTL St. Louis Mo.
