This is a verification of your letter on the report of our special DX program for the National Radio Club, on Monday, February 28, 1955. 2:30 to 3:00 a.m., M.S.T.

Enjoyed running the program very much. Have had good response thus far. Seems like all the boys in the Eastern sections had trouble with WEDC, Chicago. Maybe before the season is over, we can do it again.

Cordially,

Bill Smith
