Dear sir;

Thank you for your complete letter of reception of this station on 30 December, 1955. at 01:25 hours.

The transmission of which you report reception was a test transmission of this station for transmitter adjustment purposes and not a scheduled broadcast.

This station will be conducting a proof of performance test on 7 January beginning at 01:00 hours. I will be glad to confirm any reports of reception of this station by any member of the National Radio Club that submits a correct report.

Yours truly,

Harold R. Kinkead

Chief Engineer KWHP.
