My dear Sir:

WAAG is extremely sorry at the long delay in answering your letter of August twenty 1958, but due to lack of personnel the engineering department has had to put to keep up or catch up with it's backlog of work. *been*

Your reception of WAAG as reported on August twenty 1958 is correct according to our records here at the station.

Hoping that even at this late date this verification is satisfactory, I remain,

Very cordially yours

E. R. Ridenour
