

PURDUE UNIVERSITY

STATION WBAA
LAFAYETTE, INDIANA

January 7, 1955

Mr. John Sampson
7940 Pacific
Omaha 6, Nebraska

Dear Broadcast Listener:

This will serve as verification of your report on hearing WBAA's program of December 23, 1954. We thank you for your report of reception and information supplied.

The equipment used here is a Collins 21A 5KW transmitter. This employs an 892R in the final and is modulated by a pair of 891R's in class AB₁. Operation is on 5KW non-directional daytime and 1KW directional with a three tower array at night.

Yours truly,

Ralph R Townsley
