Dear Mr. Sampson:

Thank you for your letter explaining your reception of WCAL on December 29th, but a lack of verification from us.

In your letter you state that you heard WCAL from 10:25 to 10:29 p.m. WCAL is not on the air ever after sundown, and we suspect that your original letter may have carried the same designation which may have caused your report to be thrown out as "not verifiable."

Reading your report further discloses that you must have heard WCAL from 10:25 to 10:29 a.m. Consequently we are happy to verify your report of reception of WCAL on December 29, 1956.

We are happy to learn that you listen to WCAL when you are in Northfield. We invite you to continue listening in the morning and also to listen to our Concert Hall program Sunday afternoons from 1:30 to 4:00.

Sincerely yours,

RADIO STATION WCAL
