Mr. John N. Sampson  
7940 Pacific  
Omaha 3, Nebraska

Dear Mr. Sampson:

This will verify your reception report No. 111 of this station on January 4.

I am also enclosing a copy of our Coverage map. You will note the limited ground wave field intensity in the direction of Omaha. No doubt you were receiving an early sky wave.

We are always happy to receive reports from DX listeners.

Sincerely,

*Welton Jetton*
