Dear Mr. Sampson:

Reference is made to your letter dated June 18, 1957.

Please accept this letter as verification of your report on our signal received. Your report follows in that we have a scheduled frequency check at the time indicated in your report.

This was the first request for verification from you that has come to my attention - needless to say that if I had seen your request it would have received prompt attention.

I do hope we will hear from you again.

Yours truly,

E. Neal Cory
