Mr. John N. Sampson
7940 Pacific
Omaha, Nebraska

Dear Mr. Sampson:

I am happy to inform you that your reception of WDOB on December 30th was absolutely correct.

Our transmitter is an RCA BTA 1 L, one kw, with a guide tower of 180 feet.

Anytime you're down in our part of the country, you have a cordial invitation to drop by and see us here at the station.

Yours truly,

Gene Maughan
