John Sampson,
7940 Pacific,
Omaha, Nebraska

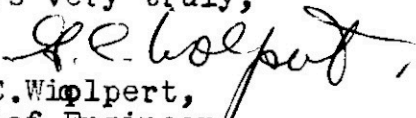

Dear Mr. Sampson:

This will serve to verify your report of reception of our signal on Dec.30,1957 from 5:31 A.M. to 5:33 A.M.

Our Transmitter is an RCA BTA-5H feeding a three tower directional array - main lobe is beamed slightly west of north in order to cover upper Michigan.

Thank you very much.

Yours very truly,

G.C. Wielpert,
Chief Engineer
