Mr. John Sampson  
7940 Pacific  
Omaha 6, Nebraska

Dear Mr. Sampson :

This will confirm your having heard WGRC on February 3, 1955 on 790 kcs.  
At that time we were operating with 5,000 watts on our daytime pattern.

Thanking you for this letter, I remain,

Very truly yours,

W. J. Morrison, Chief Engineer  
Radio Station WGRC
