

30th December 1955.

Mr. John Sampson,
7940 Pacific,
Omaha 6, Nebraska.

Dear Mr. Sampson:

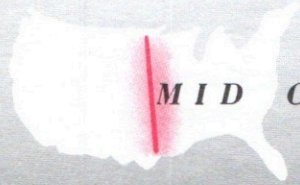

Thank you very much for your letter regarding
our reception.

This will verify the reception of our signal
on 710 kc, 10,000 watts. We are sorry that we
do not at the present time have a copy of our
signal pattern.

Very truly yours,

Roy Nonemaker
Roy Nonemaker,
Studio Supervisor.
